Poulies à roue libre ou débrayable

Freewheel or releasable pulleys

1 - Rôle & fonctionnement - Role and Function :

Le rôle de cette poulie est d'aplanir les à-coups de la transmission entre le vilebrequin et l'alternateur, ces coups sont occasionnés par le fonctionnement du moteur notamment lors des décélérations.

The role of this pulley is to smooth the knocks of the transmission between the crankshaft and the alternator, these knocks are caused by the operation of the engine especially during decelerations.

La gamme Sasic propose 2 modèles de poulies à roue libre :

The Sasic range offers 2 models of freewheel pulleys :

❖ Poulie à roue libre d'alternateur Alternator Freewheel Pulley

O.A.P. (Overrunning Alternator Pulley)

- L'OAP entraîne l'alternateur en direction du blocage. Les rouleaux de serrage se rejoignent dans la bague de forme conique et se bloquent. La bague extérieure adhère afin que la courroie puisse transmettre la rotation du vilebrequin à l'arbre de l'alternateur.

- *The O.A.P drives the alternator towards the obstruction. The clamping rollers meet in the conical ring and lock. The outer ring adheres so that the belt can transmit crankshaft rotation to the alternator shaft.*

❖ Découpleur d'alternateur Alternator decoupler

O.A.D. (Overrunning Alternator Decoupler)

- Avec la poulie OAD, l'alternateur est entraîné par un ressort de torsion. Ce dernier absorbe les petites irrégularités cycliques dans le sens de rotation du vilebrequin et empêche les variations de régime au sein de l'entraînement des accessoires.

- *With the OAD pulley, the alternator is driven by a tension spring. The spring absorbs the small cyclic irregularities in the crankshaft rotation way and prevents regime variations within the drive accessories.*

2 - Causes de dysfonctionnement - Causes of malfunction :

Les symptômes d'une poulie défectueuse sont surtout des bruits anormaux tels que :
The symptoms of a defective pulley are mostly abnormal noises such as :

- Le bruit de roulement et de ferraille causé par l'usure voir la destruction du roulement.
The noise of rolling and scrap caused by wear on destruction of the bearing.
- Le bruit du palier avant de l'alternateur ou du système de débrayage de poulie pour les systèmes équipés.
The noise of alternator front bearing or pulley release system for equipped systems.
- Des bruits de courroies d'accessoires - *Accessories belts sounds* :
 - courroie trop courte forçant sur la poulie - *belt too short, forcing on the pulley*
 - courroie trop longue générant un crissement au démarrage - *belt too long crunching at startup*

3 - Remplacement de la poulie d'alternateur - Replacement of the alternator pulley :

Le remplacement de cette pièce nécessite impérativement le respect du serrage au couple
The replacement of this part imperatively requires the respect of torque tightening

SASIC à l'international - Conditions générales de vente

SASIC - general terms of sales

1/ GÉNÉRALITÉS :

Toute remise de commande ou passation de marché avec notre Société comporte acceptation implicite par l'acheteur, des conditions ci-dessous.

La réception de notre accusé de commande sans réserve écrite immédiate, vaut donc acceptation de ces conditions. Il ne pourra y être dérogé que par mention écrite figurant sur nos offres ou accusés de réception de commandes.

2/ PRIX ET CONDITIONS DE LIVRAISON :

Les prix de notre Tarif Général, de nos tarifs particuliers, ou ceux donnés à nos clients par nos représentants, n'ont qu'une valeur indicative. Ils peuvent être modifiés sans préavis et ne nous lient pas à terme. Sauf spécification formelle, la validité de nos offres ne dépasse pas 30 jours.

Dans tous les cas le contrat de vente ne devient effectif qu'après acceptation écrite de la commande par notre Service Export, le prix facturé normalement étant celui en vigueur à la date de mise à disposition. Sauf conditions particulières écrites, nos prix unitaires calculés en Euros s'entendent

" Départ usine - PUTANGES - Orne". Ils n'incluent pas l'emballage et le transport qui sont calculés en sus. La livraison est réputée, effectuée dans notre usine et les conditions de vente telles que Franco Transitaire F.O.B. ou C.A.F ne sont considérées que comme des concessions de prix sans déplacement de responsabilité : nos prix à l'Export sont nets hors taxes.

Les marchandises voyagent donc aux risques et périls de l'acheteur auquel il appartient de prendre toutes dispositions auprès des transitaires, transporteurs, assureurs, etc... pour protéger ses intérêts. A cet égard, l'acheteur est réputé assurer les marchandises dans tous les cas de vente non C.A.F., contre les risques de vol, perte, avarie ou destruction. En cas de dommages survenus au cours du transport, la responsabilité du fournisseur ne sera pas engagée.

SASIC pourra cependant aider l'acheteur à sauvegarder ses intérêts, dans la mesure où toutes les dispositions nécessaires auront effectivement été prises par l'acheteur lui-même.

3/ DÉLAIS DE LIVRAISON :

Ils sont donnés à titre indicatif et sans engagement. Un retard de livraison quelle qu'en soit la raison ne peut justifier l'annulation ou la suspension d'une commande par l'acheteur. Il ne pourra en aucun cas donner lieu à des pénalités ou à des indemnités. Cela vaut également pour les livraisons partielles.

Le respect des délais dépend aussi de la stricte observation des conditions de paiement.

A défaut d'obtention de garanties suffisantes, une commande pourra être refusée et un marché même préalablement accepté, pourra être suspendu ou annulé sans indemnité.

4/ CONDITIONS DE PAIEMENT, INTÉRÊTS DE RETARD :

Sauf conditions particulières écrites, le paiement s'effectue en nos bureaux, comptant à réception de facture et sans escompte. Dans le cas du non respect par l'acheteur des échéances convenues tout retard dans le paiement entraîne de plein droit, le jour suivant la date de règlement figurant sur la facture, l'exigibilité d'intérêts de retard à un taux égal à trois fois le taux d'intérêt légal conformément à l'article L.441-6 du Code de commerce, ainsi qu'une indemnité forfaitaire pour frais de recouvrement d'un montant de 40 Euros suivant l'article D.441-5 du Code de commerce. La totalité de la dette non échue deviendrait de plein droit immédiatement exigible avec possibilité pour SASIC de suspendre ou annuler les commandes en cours. Les taux ci-dessus seront réajustés automatiquement selon l'évolution du taux de l'intérêt légal et des taux du marché monétaire en France.

5/ RÉSERVE DE PROPRIÉTÉ DES MARCHANDISES :

Application des lois 80-335 du 12 Mai 1980 et 85-98 du 25 Janvier 1985.

Les marchandises facturées par SASIC demeurent sa propriété jusqu'au paiement intégral du prix convenu et de ses accessoires. Jusqu'à cette date, les marchandises seront considérées comme étant en dépôt chez l'acheteur qui en assumera la responsabilité depuis la sortie de notre Usine ou de nos Dépôts.

En cas de non paiement à l'échéance contractuelle, elles devront être restituées sans formalité, dès la première demande de SASIC, qui se prévaut des dispositions prévues par la loi en cas de redressement et de liquidation judiciaire de l'acheteur.

6/ RÉCLAMATIONS - GARANTIE :

SASIC fabrique et distribue des pièces détachées adaptables aux véhicules automobiles. Si malgré les soins apportés à la fabrication comme à la sélection de nos fournisseurs, il était reconnu que nos fournitures comportaient un défaut de matière ou de fabrication, SASIC ne serait tenue qu'à la réparation gratuite par ses soins, ou à son choix, au remplacement des pièces défectueuses. Dans le cas où la réparation ou le remplacement s'avérerait impossible pour quelque raison que ce soit, SASIC ne serait tenue qu'au seul remboursement de la valeur des pièces défectueuses facturées sans prise en compte de frais supplémentaires ni indemnité d'aucune sorte. Cela s'applique également en cas de livraison non conforme.

Dans tous les cas, la garantie ne peut être mise en oeuvre qu'après réclamation écrite, adressée au plus tard 60 jours après la facturation des marchandises et après examen par nous-mêmes suivi de notre accord sur le bien fondé de la réclamation. Aucune réclamation ne sera acceptée en cas de montage incorrect, de réparation locale ou de rénovation de nos pièces.

La garantie ne couvre que les produits vendus sous la marque SASIC et figurant dans nos documentations. Nous déclinons toute responsabilité en cas d'erreur de références ou de désignation par l'acheteur et nous n'acceptons pas, dans de tels cas, le retour des pièces.

Lorsqu'après accord du Service Export SASIC et en l'absence de faute du fournisseur, un retour de pièces est accepté, tous les frais de retour et de déballage sont à la charge de l'acheteur.

7/ MINIMUM DE COMMANDE - FRAIS ADMINISTRATIFS :

Nous n'acceptons pas les commandes inférieures à 1000 Euros.

Pour les expéditions par Colis Postaux, les prix habituels sont majorés de 10 %.

Pour toute facturation n'atteignant pas un montant Départ Usine de 1000 Euros, des frais forfaitaires de 100 Euros s'ajouteront au montant des marchandises.

Ces frais atteindront 7 % du montant des marchandises pour les expéditions d'une valeur de 1 000 à 2 000 Euros.

8/ ATTRIBUTION DE JURIDICTION :

Pour tous litiges y compris en cas d'appel en garantie ou de pluralité de défendeurs, les Tribunaux du siège de la Société SASIC seront seuls compétents et la Loi Française s'appliquera.

1/ Application :

The following general terms of sales will be deemed to be accepted for any order placed with us, in absence of immediate partial or total written refusal of these terms. No change in these terms will be valid without our written acceptance.

2/ Prices and delivery terms :

Prices of our General Export price list or of our special price lists, or those given by our representatives or agents, have only guidance value. They do not bind us. They can be modified without notice.

Except in the case of different written indications, our offers are not valid after 30 days.

In any case sales contracts will not be valid before the written acceptance by our Export Department, of our customers orders. We normally charge prices which are in force the day of the delivery.

Under normal conditions, our unit prices are nett exworks -Putanges Orne- they are calculated in Euros and do not include packing and inland or sea freight which have to be added. They are "before tax". The delivery is deemed to be effected in our factory and any delivery term such as free carrier, Fob or even CIF should be considered only as facilities granted to customers without any consequence on the customer's responsibility on the goods.

Our goods travel under the responsibility and at the risk of our customers. They should take any necessary step near forwarding agents, carriers, insurance companies etc... to protect their interests.

Should goods be damaged between our factory and the customers warehouse, our responsibility would not be involved. We might however assist our customers to protect their interests in as much as any necessary step has actually been taken by our customers themselves. In this respect the customer is deemed to insure the goods when sales terms are not CIF, against all risks of pilferage, fire, damage by water, destruction etc...

3/Delivery time :

It is only given for information purpose and does not bind us. A late delivery can not justify a cancellation of the order by the purchaser. It will in no case justify any request for indemnity. This also applies to partial deliveries.

Failure by the customer to fulfill his financial commitments will involve postponed deliveries. In the event of inadequate financial guarantees, SASIC will be entitled to refuse orders or even to postpone or to cancel orders or contracts already accepted, without any indemnity for the purchaser.

4/Payments :

Except in the case of special written terms, they will be effected cash, without any cash discount, in our offices immediately upon receipt of our invoices. Should the buyer do not respect the agreed expiry date, any late payment automatically generates in full's right, the day following the date of payment mentioned on the invoice, the payability of interests calculated at a legal rate of three times the legal rate as defined in article L 441- 6 of the French Code of Commerce as well as a fixed fee of 40 Euros for covering up cost following art. D 441-5 of the French Code of Commerce,, and SASIC could require the payment of the whole customer's debt even if not yet due for payment. SASIC could also postpone or cancel any order in course. Above rates will automatically be adjusted every year, taking into consideration variations of the legal rates and of the French Monetary Market.
